

Linda McCartney Foods Vegetarian 1/4LB Burgers Recall

Information for consumers

What has happened?

As a brand that puts the health and safety of its consumers first we are recalling our frozen Linda McCartney Foods Vegetarian 1/4LB Burgers due to an undeclared allergen – MILK. This is because a small number of packs have been packed with a different product which contains MILK that is not declared on the packaging

Which products are affected?

The only product affected is our frozen Linda McCartney Foods Vegetarian 1/4LB Burgers with a Best Before Date Date of **January 2024** and a batch code of either **20922, 21022 or 21122**

This is what the packet should look like:

This is what the Best Before End information should look like:

These products should not be consumed.

No other products are affected.

What are we doing about it?

We have undertaken a product recall

When will this product be back in stock?

We anticipate it will be available nationwide in stores in the coming weeks.

How can I get a refund?

Just let us know the details of your purchase and we will be happy to help you with a refund. You can call our Consumer Care Team on **0800 0014409** (opening hours Monday to Friday, 9am to 5pm) or by emailing us [here](#)

Or

You can return your product store for a full refund

Do I need my receipt?

You will not need a receipt to get the refund

Do I need to return the product?

You do not need to return the product to us
